

io::LineReader::LineReader

```
graph LR; A[io::LineReader::LineReader] --> B[io::LineReader::set_file_name]; B --> B;
```

The diagram illustrates a sequence of operations. It begins with a gray rectangular box containing the text 'io::LineReader::LineReader'. A straight blue arrow points from the right side of this box to a white rectangular box with a black border. This second box contains the text 'io::LineReader::set_file_name'. Above the white box, a curved blue arrow starts from the top edge and points back down to the top edge, indicating a self-call or a loop.
