

OlxAPIFMRObj::getGR

```
graph LR; A["OlxAPIFMRObj::getGR"] --> B["OlxAPIObj::getDoubleParameter"]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box containing the text 'OlxAPIFMRObj::getGR'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'OlxAPIObj::getDoubleParameter'. Both boxes have a thin black border.

OlxAPIObj::getDoubleParameter
